

THE YEAR WAS 1971..... THE YEAR OF INDEPENDENCE.

The liberation war, a revolution, a movement from the east which resulted in the independence of BANGLADESH.

(26.03.71) now this remembrance date brings the eastern continent together, with its elegance & cultures welcomed.

My back home chai pays homage to the nostalgia of 1971 combined with the modern era celebrating its existence through food & drink.

চৈ ৱ বেচন

Sa-khawra (Khoi'y'fi/ a bow)- tea addict, a tea artist, a connoisseur, a master craftsman of tea, known as chai in the eastern continent.
